Bellevue Parks & Community Services

Providing a healthy community through an integrated system of exceptional parks, open space, recreation, cultural and human services

Welcome to Bellevue parks!

The richness of Bellevue's natural environment has long been central to the quality of life we enjoy here. Bellevue lies among urban forests, wetlands, and streams that support a wide variety of wildlife. Recognizing the uniqueness of this natural setting, the park system responds to the vision of Bellevue as a "City in a Park."

We invite you to visit Bellevue's parks and to take part in the many programs and services offered.
