KCM Route 249 revised to travel southbound on Bellevue Way

South Bellevue Park & Ride

Extra trips added to ST Express 554

The South Bellevue Park-and-Ride will close as early as January 2017. The Overlake Transit Center Park-and-Ride will close as early as Spring 2017. The date of the closures will be announced through construction alerts and on the East Link project website. The new park-and-ride lots are expected to open in Fall 2016. Once open, they will be listed on the Metro Online Park & Ride web page at metro.kingcounty.gov/tops/parknride/.
